HOW TO GET A GIRL: a glovebox guide for men

Are you lamenting your inability to understand women!
Not interested in wading through epic sized manuals by relationship gurus!
Sick of dating books which only offer sensationalism, not reality!
Now you can own your own glovebox copy of 'How To Get A Girl.'

"HOW TO GET A GIRL" is a witty work which concentrates on getting the dating basics right,
whilst revealing how the female mind actually works.

This glovebox guide covers everything.

From getting up the courage to ask someone out, to getting intimate,
giving compliments, avoiding arguments and discovering what she really is thinking!

Most importantly, unlike the majority of dating books for men, "HOW TO GET A GIRL"
is written by a woman, and as a woman I've got to tell you,
she sure knows what she is talking about!

Which means the 'gals' will be interested in this as well. A great little gift idea!
